

## Cash Back Credit Card Comparison Chart

Use this credit card comparison chart to compare cash back credit cards. We've included five factors to compare, but you can add two more at the top of the blank columns on the right. Just use the American Express Platinum MoneyBack credit card included as an example, and compare up to ten different cash back cards in the blank rows below.

Cash Back Credit Card	% Cash Back	When / Where Cash Back is Earned	Ability to Earn Points	When You Get Your Cash Back	Caps on Cash Back	Other Rewards Options		
<a href="#">American Express Platinum MoneyBack Credit Card</a>	5% in your first 3 months up to a \$6000 spend (1% after that)	Cash back earned on purchases (not travellers' cheques, interest, or foreign currencies)	Credited to your account monthly	No limits to cash back at the 1% rate	None
