

Rewards Credit Card Comparison Chart

Print and fill out this credit card comparison chart to help you compare rewards cards side by side. Three common rewards card comparison points have already been included. Use the blank columns to add other features of interest to you (such as interest rates or annual fees). List each rewards card you are considering in a new row, using the ANZ Visa Rewards card example as a guide.

Rewards Card	Types of Rewards	Expiration & Rewards Caps	Ability to Earn Points
